OWNER'S MANUAL

BBE®

GETTING STARTED

The BBE Green Screamer is a vintage style Overdrive pedal that responds dynamically to a player's subtle volume and picking techniques. The Green Screamer adds excellent harmonic over-tones to your amps natural sound without coloring the sonic character of your instrument.

FEATURES

- Vintage Overdrive Curcuit
- Low Noise, Dual Op-Amp Design
- True hard-wire bypass
- Blue LED status indicator
- 5-Year Warranty

CONTROLS

Level- Adjusts the Output level
Tone- Adjusts the balance between Low and High Frequencies
Gain- Adjusts the amount of Gain

SIGNAL CHAIN PLACEMENT

The Green Screamer should be placed early in the signal chain. Typically 1st.
